

12 Sept 2002

Dear Frank

I can't tell you how much I regret my inability to attend the 19-22 September reunion hosted by Chapter XXXVIII

As you may know, I am at this point living in something like a state of suspended animation awaiting a procedure to treat two aneurysms that I have somehow managed to develop

I have always been extremely proud and honored to have Chapter XXXVIII named after me and I read each issue of "The Beret" with great interest.

Although I am beginning to feel the weight of the years, it is still my hope that somewhere along the line I shall be able to visit "my chapter".

Until then, may God bless you all.

Sincerely

William P. Cuthborough
Lt Gen USA (Ret)
